Bladen's Candidate Makes Good Impre-sion—Cook May Enter Race.

sion—Cook May Enter Race. [Special to The Times-Dispatch.]
Fayetteville, N. C., August 25.—Taction of the State Democratic Exective Committee last night at Ralei in the Sixth Congressional Distrimuddle, has been the topic of eversation here to-day. The opinic expressed as to the wisdom of committee's action are varied, so contending that after the decision wreached that no nomination had be made, the convented of the committee's recommendation of primaries, the general opinion is that much be terness will be engendered in the many convassing and voting. O terness will be engendered in the primary canvassing and voting. O. L. Clark, Bladen's candidate, who was nominated by the regulars, was in the city to-day, meeting his friends and the people generally, and made a very favorable impression. He is in the fight to the finish. H. L. Cook was asked this afternoon if he would become a candidate, and said that he did not desire to make a positive reply at present, but would do so in a day or two. He has practically made up his mind that he will not be a candidate, but feels that he should not act too hastily in deference to the wishes of his friends.
